

EnPro Rail Vehicle Cleaning

Ensuring the highest levels of Train Presentation through a passion for quality and customer satisfaction.

Customer Focus

from an understanding of the issues that matter to both Train Operator and fare paying passenger:

- ✓ Cab fronts
- ✓ Toilet facilities
- ✓ Interior cleanliness and trim condition
- ✓ Exterior cleanliness

Consistent Delivery

through robust staff training programmes and quality audits:

- ✓ Proven best practice methods and techniques
- ✓ Clarity of cleaning standards and instruction
- ✓ Environmental solutions
- ✓ Health and safety compliance maintained
- ✓ Cleaning performance improved through audit and feedback

Benefits

gained from flexible and innovative solutions:

- ✓ Labour availability scaled as appropriate from short-term projects to larger framework agreements
- ✓ Campaign management to address problem areas e.g. graffiti removal, cab front cleaning, flooring soil extraction etc.
- ✓ Glass restoration and window films
- ✓ Upholstery cleaning
- ✓ Application of specialist protective coatings to interior and exterior surfaces
